

LUCIUS STOOKEY, WELL KNOWN MAN CALLED BY DEATH

Drops Dead From Heart Disease
After Eating Hearty Supper
at Home of Sister.

HEALTH HAD BEEN GOOD

Worked Yesterday but Fell to Floor
Unconscious After Evening
Meal—Inquest Held.

Lucius M. Stookey, 58 years of age, who resides at 1422 Twelfth street, dropped dead last evening about 7:30 at the home of his sister, Mrs. J. Hill, 1117 Sixteenth avenue, of heart disease. Mr. Stookey worked all day yesterday with the experimental gang at the Rock Island Plow company, and went home at 6 o'clock and ate a hearty supper.

After supper he worked for a time in his garden. Shortly after 7 o'clock he went to the home of his sister, and when he reached there he complained of a pain in his chest. Mrs. Hill administered some home remedies and after walking about the house a while, he sat down in a rocker. His sister asked him if he was feeling any better, and he said he was not. Mrs. Hill suggested that he lay down on the bed for a while, and as he got up from the rocker, he heeled over toward the window and fell to the floor unconscious. A physician was called, but Mr.

Stookey expired shortly after his arrival. He had been in the best of health of late and his many friends were shocked by the news of his untimely death.

Lived Here 20 Years.

Lucius Marion Stookey was born in Tennessee, Ill., April 16, 1856, and when he reached the age of 12, he moved with his parents to Kansas. Four years later they moved to McDonough county, Ill. Mr. Stookey came to Rock Island about 20 years ago and had lived here since. He was united in marriage to Miss Lucy Davis in Missouri in 1889, and she passed away in January, 1912.

Those left to mourn his passing are two sons, Ora and Paul, one daughter, Hazel and three sisters, Mrs. J. Hill of Rock Island, Mrs. M. E. Todd of Galva and Mrs. L. Odenweller of Pleasanton, Kan.

An inquest was conducted at 11 o'clock this morning at the Hill residence on Sixteenth avenue, by Coroner R. C. J. Meyer. The jury returned a verdict of death due to natural causes.

Mrs. Rudolph Koch.

The death of Mrs. Rudolph Koch, 61 years of age, occurred at 5 o'clock this morning at her home, 324 Eleventh street. She had been suffering for 10 months with a complication of diseases.

Her maiden name was Miss Ella Collins. She was born in Dundee, Ill., May 1, 1863. A year later she came to Rock Island with her parents, and she had lived here since. She was married in this city to Rudolph Koch Aug. 15, 1883. She was well known throughout the city, and leaves a large circle of friends to mourn her passing.

She is survived by her husband and two daughters, Theresa and Sylvia, one son, Raymond at home, and one brother, Charles E. Collins of Rock Island. Funeral services will be held Sunday morning at 9:30 at the home. Rev. F. J. Rolf will officiate, and burial will be made in Chippianock.

MILK STATION TO BE OPEN MONDAY

Under Auspices of Visiting Nurse Association at West End Settlement.

ALL NECESSARY EQUIPMENT

Food Will Be Prepared Scientifically for 24 Hours Feeding for Babies.

A milk station, the dream for months of the visiting nurses, the Misses Edna Flanagan and Georgia Turnbull, will be realized with the putting into operation Monday morning of such an institution. The nurses acting under the supervision of the Visiting Nurse association and in connection with the West End Settlement, have provided the necessary equipment which has been placed in the main building of the West End Settlement. A refrigerator, gas stove, sterilizer, 200 nursing bottles, pails holding eight bottles each, tables, cupboards and other smaller articles have been purchased at a cost of \$50.

Prepare Food by Formula.

Each morning the nurses will scientifically prepare food for the babies for 24 hours' feeding, according to the formula prescribed by each physician attending the child. Eight bottles will be filled after being sterilized and these will then be placed in a receptacle containing ice. Members of the family from which each baby comes will procure at the settlement the food prepared for the child, returning the empty bottles at the same time. A small payment will be asked for the food, the amount necessary to pay the actual cost of the milk. Milk will be procured from the Brooks dairy and each child will be assured the proper and scientifically prepared food for every day.

Interest in Child Welfare.

The child welfare bureau being conducted by the Visiting Nurse association in the club room near the West End Settlement is meeting with wonderful success. Interest is being aroused in the mothers all over the city and results are already manifesting themselves. The bureau was opened six weeks ago with seven babies and their mothers attending. Last Wednesday 18 babies, accompanied by their mothers, were examined, weighed and prescribed for when necessary. The mothers have a real interest in the station and come from all parts of the city for counsel in the rearing of their children. The mothers are served with a light lunch.

The upkeep of the milk station will require funds and the association solicits aid from friends that are interested in the movement.
